# Key Project Personnel

Steve Eaton *President/CEO*

As the founder of Romeo Computer Company and it's RCC Business IT division, Steve's knowledge and experience guide all aspects of the company forward, helping keep the team and clients on the right track.

Joe Kaiser *IT Service Manager*

What would any of us do without IT? Joe manages IT staff, creates relationships with external clients, maintains networks and user connectivity, and keeps the wheels turning behind the scenes.

Doug Manska *Sales Executive*

Aside from locking in sales, Doug keeps communication lines open with all of RCC's clients, making sure clients are happy and the team is producing in line with contracts.

Zack Slazakowski *IT Service Coordinator*

As the services coordinator, Zack always has the schedule locked down. He keeps the team motivated, performing and oversees the deliver of the IT Services team.

Robert Harvey *WEB Development Manager*

There isn't much Bob Harvey can't do! As the head of the web development department, Bob leads his team of programmers and designers to produce beautiful websites.
